Our Consignment Policy

We are looking for furniture and accessories to show and \$ell for you. Please call or stop by to discuss your furniture or send us photos of items you want to consign. When you bring your items in to consign, we select what our customers want to buy. We preview all items before they are placed in the store in order to maintain a selective inventory. Sometimes there will be items we cannot sell. Please understand that our customers preferences must be our selection guideline.

The item(s) then will be placed in our showroom at 1288 West Main Street, Suite 132, Lewisville, Texas 75077. If your item(s) sell within 60 days we pay you 50% of the sales price. Accessories will be donated after the 60 day contract.

If your furniture item(s) have not sold after 60 days you will have the following options:

- 1. You can extend your contract for 30 days at a time.**
- 2. You can donate your item(s).**
- 3. You can pick up large furniture**

A pick up service is available for a small fee.
